Our American Idol

Singing sensation and American Idol contestant Jessica Sanchez, came in second in the competition, but she is definitely Chula Vista's star. The 16 year-old resident helped put our city on the map in such places as the

Phillipines, India, Pakistan, Mexico, England, and Spain, as well as all over the United States. **Congratulations Jessica!** Your hometown is so proud of you.

Swimming Pool Safety

With summer upon us, Chula Vista Fire and Recreation departments want to remind residents of the dangers of backyard and community swimming pools. Drowning is a leading cause of accidental death in children ages 1-4 and most drownings occur in residential pools. Nearly half of the victims were last seen in the house and had been missing for less than five minutes.

Drowning is preventable: homeowners should install fencing and alarms around pools and lock doors to prevent unauthorized access. Children should learn to swim at an early age and should never be left unattended near a pool. An adult "water watcher" should supervise children when they are swimming. How can you be prepared? Learn CPR and have a phone nearby to call 911 if necessary. If a child is missing, always look in the pool area first.

Pet News You Can Use

Due to pet over-population, owners are encouraged to have their pets spayed or neutered. Qualifying low income residents can sign up to drop off their dog or cat and have the procedure completed in one day for free. Call (619) 691-5226 for more information and to sign up.

Also with the assistance of the city's Information Technology Services Department, the Chula Vista Animal Care Facility now offers online pet license registration for first time licenses and renewals. By law, dogs are required to be licensed as well as being vaccinated against rabies.

Go to www.cvacf.org for pet licensing information.

Bayfront Financing Approved

In May, the Port of San Diego Board of Port Commissioners and the Chula Vista City Council unanimously approved the financing agreement for the Chula Vista Bayfront Master Plan (CVBMP). The CVBMP is expected to create and sustain thousands of jobs and millions of dollars in investment and revenues for the South Bay. Approximately 230 acres (more than 40 percent) of the project's total acreage is dedicated to parks, open space and habitat restoration/preservation.
